Payroll

From phone, fax, and online solutions, processing payroll with Complete Payroll Solutions takes only minutes per pay period. Our industry-leading platform immediately calculates payroll totals and tax liabilities for your review and approval — thereby eliminating any unexpected surprises for you or your employees. Regardless of how you choose to input your payroll, our technology allows you to securely and instantly view a complete history of your payroll, tax, and management records online.

Tax & Compliance

Complete Payroll Solutions ensures your company's compliance with all federal, state, and local authorities and assumes full financial responsibility for accuracy and timeliness of all tax deposits and returns made on your behalf.

Do-it-yourself payroll is as little as \$69 per month.
