

To help facilitate your interviews, refer to this list of basic questions and adapt them to your style and organization.

1. Tell me two major accomplishments in your career.

2. What do you think distinguishes you as a candidate for this position?

3. What are your strengths? Best skills?

4. What is your major weakness or an area where you think you can improve?

5. What qualifications do you have that you feel would make you successful here?

6. What are your short-term and long-term career goals?

7. Where do you see yourself five years from now? Ten years from now?

8. How familiar are you with our company?

9. Have you had managerial or supervisory experience? Tell me about your experience.

10. What are you seeking in your work environment?

11. What have you enjoyed most in previous positions? Liked least?

12. Why are you seeking a position with our company?

13. May we contact your current supervisor? What will he or she say about your work?

14. Give me an example from a previous job where you have shown clear initiative.

15. Why should I hire you?

16. Have you ever been fired and why?

17. If you had a choice, would you prefer to work alone or as part of a team? Why?

18. What are your hobbies?

19. What salary are you expecting?

20. What things are most important to you in a work situation?

Stay in compliance with changing workplace laws and regulations by avoiding these questions of candidates.
